Director Velto moved and Director Elliott seconded to approve the Consent Calendar as presented. Motion carried unanimously with Director Bowcock and Director Cable absent.

5. Board Committee – Delegate Report:

A. Pomona Valley Protective Association (PVPA) Representative's Report – Director Parker reported on the September PVPA meeting where the Fiscal Year 2022-2023 Budget was adopted. An excess revenue of \$1.23 million is projected. The Supplemental Agreement for Strategic Plan Implementation funding was amended to include \$150,000 in the 2022 Calendar Year to fund Tasks 2022-1 and 2022-3. PVPA will sponsor the Waterwise Community Festival on Sunday, November 13th from 10:00 a.m. to 3:00 p.m. for a total of \$10,000. This event will take place at the California Botanical Gardens. The special meeting to discuss attorney work completed thus far regarding the

property tax ramifications of a possible land sale has been postponed. The proposed meeting date is October 4th. Weed abatement required by Los Angeles County for fire prevention has been completed.

- **B.** Six Basins Representative Report Ms. Teri Layton was not in attendance therefore no report was given.
- C. Chino Basin Representative Report Mr. Lee advised that he and the City of Upland public works director, Braden Yu, met with Peter Kavounas to discuss the Optimum Basin Management Program Implementation Plan. Mr. Kavounas is meeting with multiple agencies that are parties to the basin to discuss how best to move the process forward.
- D. Cucamonga Basin Representative Report Mr. Lee reported the engineer provided an update on the hydrogeology modeling project. More modeling updates are expected over the next couple of months.
- E. Administration and Finance Committee (AFC) Chairman's Report No meeting to report.
- F. Planning, Resources, and Operations Committee (PROC) Chairman's Report No meeting to report.
- **G.** Office Feasibility Study Ad Hoc Committee No meeting to report.

6. General Manager's Report on Activities:

A. Master Plan Budget Amendment – Mr. Lee explained that he is requesting an additional \$20,000 for the Master Plan mainly due to water modeling issues. Staff and the consultant are attempting to have the model match real world conditions.

Director Velto questioned whether inflation is being considered. Mr. Lee answered updated estimated costs for proposed Master Plan projects are included in the additional \$20,000 requested.

Director Velto inquired as to whether current projects will be coming back for increased costs. Mr. Lee explained that projects currently under contract should not come back with additional costs due to inflation, however, there are some supply chain issues delaying the start or progression of projects. For instance, lead time on a fiberglass casing has a 6-to-8-month lead time which is causing the Well 19 project to be delayed until early 2023. It was suggested Mr. Lee inquire with the contractor to find whether there is another vendor that can provide the product in a shorter timeframe.

Director Elliott moved and Director Velto seconded to authorize the General Manager to execute a budget amendment for a not-to-exceed amount of \$20,000 for the Master Plan. Motion carried unanimously with Director Bowcock and Director Cable absent.

B. Consolidated Campus – Mr. Lee explained that there was discussion with Director Velto that SAWCo's 20th Street property may be a good alternative location to consolidate SAWCo's office and operations locations. Mr. Lee, Director Velto, and the City of Upland Manager visited the location and felt it had good potential. Mr. Lee then visited the site with the architect SAWCo has under contract for this project and he too agreed the site has potential and that a feasibility study is a good idea.

Mr. Lee provided a few issues with the property that needed addressing. Site layout and zoning, Campus Avenue access for staff only, and removal of a Boardroom.

Director Parker inquired as to why SAWCo is looking at moving the consolidated campus from the originally proposed 17th Street and Benson Avenue location. Mr. Lee replied both properties have their pluses and minuses. The Benson Avenue property requires more groundwork with demolition

of a facility and has more access difficulties. Assuming SAWCo staff is afforded access through Campus Avenue, the 20th Street property provides better access to the San Antonio Heights for field staff to maintain and repair facilities. It is a larger property that is more level.

Director Goss moved and Director Parker seconded to authorize the General Manager to prepare a feasibility study. Motion carried unanimously with Director Bowcock and Director Cable absent.

There was discussion about how to provide staff access to the 20th Street site through the Southern California Edison easement located between Campus Avenue and 20th Street. The idea of gated access that is tucked away from view was discussed. It was made clear that 20th Street would not be opened up for traffic to flow through to Campus Avenue.

C. Association of California Water Agencies (ACWA) Fall Conference - Mr. Lee advised staff received a request from Director Parker to attend the ACWA Fall Conference. Staff thought it an excellent idea and felt the Board of Directors and SAWCo staff may benefit from attending as well. He requested authorization to provide for, at minimum, Director Parker to attend the ACWA Fall Conference at cost of roughly \$780 and if possible, provide for SAWCo staff and the Board of Directors to attend if they choose to do so.

Director Goss moved and Director Elliott seconded to authorize Director Parker, and any other SAWCo Board member and SAWCo staff that wishes, to attend the ACWA Fall Conference. Motion carried unanimously with Director Bowcock and Director Cable absent.

Mr. Lee asked that any Board member interested in attending the ACWA Fall Conference contact the SAWCo office.

7. <u>*Closed Session:*</u> The Board and Mr. Lee went into closed session at 5:19 p.m. and returned to open session at 6:30 p.m.

Director Zuniga reported under Agenda Item 7A, Mr. Lee has been given direction to contact Fennemore to negotiate a contract for general legal counsel services.

Director Zuniga reported under Agenda Item 7C, staff has been directed to not sell the San Antonio Avenue surplus property at this time.

Director Zuniga reported under Agenda Item 7B, the Board agreed to raise Mr. Lee's salary to \$240,000 annually with an \$820 monthly car allowance.

8. Director's Comments and Future Agenda Items: None.

<u>Adjournment</u>:

With no further business to discuss the meeting was adjourned at 6:31 p.m.

SAN ANTONIO WATER COMPANY ADMINISTRATION and FINANCE COMMITTEE (AFC) MINUTES July 26, 2022

An open meeting of the Administration and Finance Committee (AFC) of the San Antonio Water Company (SAWCo) was held virtually and called to order at 3:00 p.m. on the above date as noticed. Committee Members present were Martha Goss, Bob Cable, and Bill Velto. Also in attendance were, SAWCo's General Manager Brian Lee, and Senior Administrative Specialist Kelly Mitchell. Director Goss presided.

- 1. <u>Recognitions and Presentations</u>: None.
- 2. Additions-Deletions to the Agenda: None.
- 3. Public Comments: None.
- 4. <u>Approval of Committee Meeting Minutes</u>: Director Velto moved and Director Cable seconded to approve the meeting minutes of May 24, 2022. Motion carried unanimously.
- 5. Administrative and Financial Issues:
- A. Legal Services Proposals Director Goss advised her electronic copy of some of the proposals were redacted. Unredacted electronic copies were received the day prior, and she was able to review them. She inquired if all Committee members had reviewed the proposals.

Mr. Lee professed how important this decision is for the company and inquired whether the Committee would like to conduct in-person interviews of some or all the legal firms that submitted proposals. He advised interviews could take place with solely the Committee members or with the entire Board.

Director Velto stated the City of Upland Council recently went through this process with finding legal counsel. He stated it was good to get to meet and talk with the firms in person. Specific questions he thought were important to ask for potential SAWCo legal counsel is experience with mutual water companies.

Both Director Velto and Director Cable advised they had difficulty reading a couple of the proposals due to the font being scrambled. Director Goss advised the two scrambled proposals were resent the day prior to the meeting. Mr. Lee stated he has hard copies of the proposal that he will send to all Committee members.

The Committee spoke about possible billing issues with larger firms utilizing more than one attorney to handle the Company's account. Mr. Lee advised staff is seeking one attorney to become SAWCo's general legal counsel. Permission from staff will be required should the hired attorney need to include another or other attorneys that would cause SAWCo to incur additional costs.

There was further discussion regarding the general business items to be handled by and the location of the prospective attorneys.

Director Rudy Zuniga entered the meeting at 3:09 p.m.

Director Velto suggested reaching out to the general managers of the mutual water companies represented by the firms to inquire as to how they feel about their representation. He also inquired as to whether SAWCo's current legal counsel had questions for the firms. Mr. Lee stated he would ask SAWCo's legal counsel, Tom McPeters, to provide a list of five questions.

It was determined a better option to have SAWCo's legal counsel present for interviewing the four legal firms.

Director Goss suggested tabling the item and scheduling a meeting at the office to allow for interviewing of the four firms.

It was agreed that Mr. Lee would secure a date for the four firms to visit the Company office for interviews with the AFC and current legal counsel. The top two candidates will then be brought to the entire SAWCo Board for final decision.

B. Information Technology Request for Proposals (RFP) – Mr. Lee informed the Committee that SAWCo has been utilizing Inland Productivity Solutions (IPS) for their IT needs for several years. There are no complaints with the services however, because they are a consultant it is prudent to make certain the Company is getting the best value for their money. In preparing the RFP, Mr. Lee discovered SAWCo does not have a contract with IPS but instead pay on a task-by-task basis. As such, Mr. Lee would like to issue an RFP for information technology (IT) services.

There was consensus on the Committee to have Mr. Lee issue the RFP for IT proposals.

C. Fuel Credit Card Proposal – Director Goss reported she previously distributed a spreadsheet regarding her suggestion of a fuel credit card for the General Manager. She asked for the Committee's thoughts on the proposal.

Director Zuniga inquired if there was a limit or maximum amount that can be charged to the fuel credit card. Director Goss replied, the General Manager would need to provide receipts.

Director Zuniga questioned whether it would be better to add a specific amount into the General Managers employment contract to cover gas costs to and from the office. Director Goss stated it would be considered an unforeseen business expense not a raise or bonus.

Director Velto stated he believed it should be tied to the employment contract.

Mr. Lee advised his employment contact is up for renewal August 2023. He had hoped by no later than March 2023 a full contract would be secured. Director Velto stated he believes that is when they should look at this item as part of his benefit package.

It was agreed that a recommendation to provide a fuel credit card to the General Manager until the renewal of his employment contract in 2023 would be brought to the Board for approval.

6. <u>Closed Session:</u> None.

8. <u>Adjournment:</u> Seeing no further business, the meeting was adjourned at 3:32 p.m.

C. Communication and Information Activities

"Facebook" - 179 friends liking our old FB page and 71 customers have liked our new FB page. No new communication posted on the new page and no new communication on the old Facebook page. Facebook is not able to merge the two Facebook pages; therefore, we are in discussion of possibly deleting the old page.

D. Administration Matters

Meetings of interest:

- Thu, Sept 29 GM virtually attended CBWM AP closed session
- Thu, Oct 13 GM virtually attended CBWM AP meeting and closed session.

E. Groundwater Basin Matters

Chino Basin -

<u>Spread Water from SAWCo</u> - Application to spread 1,500 AF per year for years 21/22 through 25/26 was approved by WM Board in July. We have not yet spread any water in 21/22.

Ag Pool Contest and Legal Expenses -

On March 22nd the AP voted on a Terms of Agreement with the AgPool. The motion to approve the agreement passed with 59% affirmative. SAWCO voted against the agreement along with Chino, Ontario and Monte Vista. After the vote Chino, Ontario and Monte Vista filed a rebuttal with the Court.

On April 22nd, the judge ruled that the AP is controlled by weighted majority vote and the majority can compel minority members to pay for costs the majority approves with no restrictions or recourse. The judge ruled that the Terms of Settlement between the Ag Pool and AP Majority were not changes to the Peace Agreement because the Terms only impacted two parties to the Peace Agreement. This was the judge's last CBWM ruling before retiring at the end of April.

City of Ontario, MVWD and City of Chino have filed an appeal on May 20. No court dates have been set.

City of Ontario, MVWD and City of Chino have filed lawsuit arguing that CBWM has no authority to budget OBMP CEQA work, given that CEQA falls within the purview of public agencies and CBWM is simply an arm of the court.

Judge Gilbert G. Ochoa has been assigned to the Chino Basin Watermaster.

There are continued discussions regarding safe yield recalculations.

OBMP IP CEQA -

CBWM has included a budgeted line item in the 2022-23 budget to fund the Optimum Basin Management Plan (OBMP) Implementation Program (IP) California Environmental Quality Act (CEQA) effort. Three AP members have filed suit with the court to contest CBWM authority to fund and implement CEQA. Hearing scheduled for Oct 14 has been delayed to an as yet scheduled date.

Regional Water Supply Workshop -

<u>CBWM is hosting a regional water supply workshop on December 5th. The workshop will be held at the Frontier Building at Cucamonga Valley Water District's campus. All Directors are encouraged to attend, and more information will be forthcoming when available.</u>

CBWM Human Resources -

<u>CBWM announced at the AP meeting that they will be outsourcing their HR department. Staff</u> is pursuing more information that may be of direct benefit to SAWCO's HR efforts.

Six Basins -

A virtual Watermaster Board meeting was last held on September 28, 2022.

The feasibility study for San Antonio Spreading Grounds (SASG) is due to be complete by October 31, 2022. USBR small storage grants are available and Watermaster's consultant will be sitting down to discuss any opportunities.

The next meeting is scheduled for October 26, 2022.

<u>Cucamonga Basin</u> –

A meeting was held on Oct 4th. The Basin group received an update from our hydrogeologist and modeling consultant. Cost sharing past and future invoices was also discussed.

Agenda Item No. 4H

Item Title: Projects and Operations Update

Purpose:

To update the Board and Shareholders on Company capital projects.

Updates:

1507 – Office Relocation

Staff has discussed a possible solution with the City and is presenting a path forward at tonight's meeting. The option under consideration is constructing an administrative and operations campus on Company property at 20th Street, without a Board Room. <u>At it's</u> September 2022 regular meeting the Board authorized staff to move ahead with a feasibility study of the 20th street property. Staff has contracted with CEDG, Inc. to complete said study, including ingress/egress and a conceptual site plan.

Plans have been reviewed and comments returned to consultant. Final plansare being prepared and project will be bid next month. Project is out to bid this month. Bid opening is scheduled for November 30th @ 2pm.

<u>1902 – Cucamonga Crosswalls Mitigation</u>

TKE Engineering is working with staff to close out certain State and Federal Permits. Staff is also looking into long-term maintenance permits that will allow the Company yearly access to the site for clearing and grubbing.

<u> 1905 – 2020 Master Plan</u>

Staff is presenting a \$20,000 change order at tonight's meeting to focus on improved accuracy of the computer model as discussed below. Board authorized a change order at the regular September 2022 meeting to address computer model issues discussed below. Computer Water Model being constructed by consultant. Staff is coordinating with consultant regarding areas of concern in the water model to improve accuracy. Revised schedule is to complete Master Plan by end of <u>October summer</u>. There remains a gap between field pressures and hydraulic model pressures indicating a restriction in our system. Staff and consultant are investigating. It may be a partially closed valve. Staff has asked consultant to separate hydraulic modeling issues from remainder of Master Plan and complete the Plan. Hydraulic modeling issues will be moved to a separate project. Staff is currently reviewing draft chapters and hydraulic profiles. Confirming system pressures in the field with computer simulation model pressures.

2205 DWR Supply Assessment

The State of California has implemented new laws in response to statewide water supply shortfalls. One such law requires water suppliers to submit annual reports to the Department of Water Resources regarding supply and demand projections. The annual report is based on the Company's Water Shortage Contingency Plan (also mandated by the State), which was completed by WSC last year. Staff requested WSC's assistance in completing this first Water Supply and Demand Assessment. The contract was within GM's spending authority and a contract has been executed. Supply Assessment has been completed and appropriate data has been submitted to the State.

Agenda Item No. 6B

Item Title: Board Gift - End of the Year Luncheon

Purpose:

Consider an annual end-of-year monetary gift for employees in recognition for their services to the Company.

Issue:

In past years the Board has presented a monetary gift to employees at the end of year celebratory luncheon.

Manager's Recommendation:

Discuss this year's Board gift and budgetary figure for 2022.

Background:

In past years the Board has given an end-of-year gift to Company employees as a monetary 'thank-you' for service to the Company.

This issue was discussed at the September 2022 AFC meeting. By a unanimous vote, the AFC recommended an end of year gift for 2022 of \$1,500 for each employee.

If a gift is provided to employees, it is recommended that it be prorated for any employee that has not yet completed a year's service and current part time employees.

In the past, it has been the pleasure of the Board to hand out the gifts to its employees at the end of the year luncheon. This year our luncheon will be held at the Magic Lamp on Tuesday, December 6, 2022.

Previous Action:

In 2021 the Board authorized the end of year gift at \$1,500 per employee and prorated for parttime employees.

Impact on Budget: \$15,000, budgeted for 2022.
